

THE SUNSHINE PROJECT

WILL YOU JOIN US IN THE SUNSHINE PROJECT?

THE SUNSHINE PROJECT is our way to shine our light within our community and to illuminate our world with happiness, positivity and love.

Through a variety of activities and challenges we know we can help brighten our days and turn away the dark clouds. Watch for the Chalk Challenge, Sunshine Karaoke, Team Yellow, Window Warriors and soooo much more.

Here is a link to get us started! Download and print the sun coloring page and place it in a window, on your front door, your mailbox, your car window, or anywhere else that it can be seen by people passing by:

PLEASE post pictures to your Facebook page and tag us, Town of LaGrange Parks & Recreation, and use **#TheSunshineProject** so we can spread the word!

"The sun is a daily reminder that we too can rise again from the darkness, that we too can shine our own light."
